Subject: Resolution Approving Retroactive Agreement between Greater Miami Service Corps and Miami-Dade County Authorizing the County to Provide Administrative and Management Support Services for a reimbursable amount over time not to exceed \$2 million to the Greater Miami Service Corps

RECOMMENDATION

The Miami-Dade County Community Action Agency Board (CAA Board) recommends that the Board of County Commissioners (BCC) authorize the County Mayor or County Mayor's designee to ratify an Agreement with the Greater Miami Service Corps for the provision of administrative and management support in substantially the same form as Attachment A. The term of the agreement is October 1, 2010 through September 30, 2012 with three, one-year options to renew. The CAA Board also recommends that the BCC authorize the County Mayor or County Mayor's designee to execute amendments, modifications, and cancellation and termination clauses of this agreement. The previous agreement expired September 30, 2010, therefore, the term of this agreement relates back to October 1, 2010 because the parties were exploring other options for providing these services. It was subsequently determined by both parties that the agreement presented is the most feasible method for delivering service without interruption to the community.

SCOPE

The impact to Miami-Dade County for the provision of these services is County-wide. Greater Miami Service Corps provides education, scholarship, and volunteer opportunities to at-risk youth throughout Miami-Dade County.

FISCAL IMPACT/FUNDING SOURCE

The fiscal impact to the County for the provision of these services is minimal because the GMSC reimburses the County in full for all expenses paid by the County on behalf of the GMSC. The main index code used to track expenses for the GMSC is CAGM06SW. Expenses captured in this index code are proportioned to program specific index codes are applicable.

TRACK RECORD/MONITOR

The Community Action and Human Services Department's Fiscal Director will monitor this agreement.

BACKGROUND

On September 12, 1989, the Board of County Commissioners passed Resolution 1046-89 which retroactively authorized receipt of Urban Corps Expansion Project funds for the Community Action Agency's (CAA) Community Action Youth Corps program. The Program's focus was to expand 'at-risk' youth ages 18-23 educational and employability options through hard work and in-service projects in the community. These projects included code enforcement, public housing repairs, arts and human services.

On July 10, 1990, the Community Action Agency Youth Corps was chartered as the Greater Miami Service Corps (GMSC), a 501c3 not-for-profit organization. The purpose of incorporating was to ensure

GMSC could leverage financial support not available to governmental entities. In so doing, GMSC became eligible to receive funding from South Florida Workforce, Miami Foundation, Open Society Institute, Staples Foundation, Bill and Melinda Gates Foundation. The GMSC would not have been eligible for such funding opportunities as a governmental entity.

The GMSC staff diligently pursues and usually receives adequate funding to support its operations; however, because the funding streams are intermittent in the manner in which reimbursements are received, administrative and management support services from Miami-Dade County through its CAA now known as Community Action and Human Services is necessary. On February 16, 1993, the BCC passed Resolution 175-93 which authorized retroactively an agreement with the GMSC and CAA, for administrative and management support services. This agreement has been renewed annually over the years uninterrupted and the GMSC has historically satisfied its obligation with CAA. However, in 2006 due to unrealized revenues, GMSC was unable to meet its commitment to reimburse CAA in accordance with its agreement with the County. As a result of this incident, the BCC authorized the use of General Fund revenues to satisfy this obligation and remove this debt from CAA's books. Since resolution of this matter, additional measures and assurances have been put into place to prevent the recurrence of such issues in the future, such as the following: the GMSC Board of Directors was advised of the issue and urged to closely monitor the agency's finances to avoid future occurrences; monthly meetings are convened with GMSC staff to review and analyze the agency's financial reports, including payable and receivable account balances to ensure adequate funding is available to cover all expenses reimbursed by the County; and the department monitors the receipt of payments submitted to the County by the GMSC. There are currently no outstanding issues or concerns regarding the GMSC and the referenced agreement.

Additionally, it is important to note that the GMSC is a leader among service and conservation corps nationally and is a member of The Corps Network and YouthBuild USA. The program received Excellence in Corps Operations recognition in 2003 and again in 2009. GMSC has also received the following national and community awards: 2011 NACo Achievement Award; 2011 Non-Profit of the Year; 2008 Strategic Partnership Award; 2008 Corps member of the Year Award; 2005 Social Worker Team of the Year and William "Sonny" Walker Self-Sufficiency Award. GMSC was recognized by the Miami-Dade County Commission on Ethics and Public Trust and The Greater Miami Chamber as the 2003 Non-Profit Organization of the Year. Publications include the 2003 "Promising Practices for Helping Low Income Youth Obtain and Retain Jobs: A Guide for Practitioners" and a 1997 Abt Study of "Youth Corps: Promising Strategies for Young People and Their Communities."
